

## Multi-Super-7-Spray

### [EG-Sicherheitsblatt](#)

#### Acid-free

- rust remover
- moisture repellent
- protects against corrosion
- contact spray for electrics
- ideal fine lubrication
- loosens frozen locks and bolts
- excellent penetrating oil qualities

Rust remover - Multi-Super-7-Spray removes even the most stubborn rust and oxidation compounds. Because it is acid-free, the base metal is not damaged.

Moisture repellent - Multi-Super-7-Spray repels moisture and water from all wires and circuits.

Corrosion protection - Multi-Super-7-Spray protects all metal parts for a long time with a very thin spray film. Especially electric installations.

Electric-Contact-Spray - Multi-Super-7-Spray eliminates all moisture on wires and electric contacts.

Fine lubrication- Multi-Super-7-Spray contains fine synthetic oils which solve all lubrication problems concerning precision mechanics.

Defroster - Multi-Super-7-Spray loosens frozen locks, split pins, fittings, bolts and screws at temperatures as low as - 60° C.

Penetrating oil - Multi-Super-7-Spray transports the lubricating film into the tiniest gaps and so makes the disassembly easier.

#### Packaging

Multi-Super-7-Spray is available in 400 ml aerosol cans.

#### Safety

The container is pressurized. Protect from sun and temperatures above 50° C . Do not open forcibly or burn, even when empty. Do not inhale the aerosol. Do not allow the contents to enter the waste water system. Do not spray people. Keep away from naked flames and incandescent materials. Keep away from sources of combustion – do not smoke -. Keep away from children. Only use in well-ventilated areas. In the case of contact with eyes, keep the eye open and rinse with lots of water. Contact an eye specialist if the irritation does not subside.

#### Disposal advice

Do not dispose of the can in the domestic waste. Discard the totally emptied can into the recyclable waste container (green dot)
